RE: Amended October Quarterly Report (07/22/2010 - 09/30/2010), Filed on 5/18/2011

Dear Mr. Holly,

In response to your letter dated August 29th, 2011:

The amendment filed was a result of a self-initiated review of all transactions. This was conducted at the Committees expense to ensure full compliance with laws and regulations. The committee anticipates no further amendments.

The entire increase in disbursements occurred because the Committee lacked the information on our credit card fees when the report was filed.

Please contact me with any additional questions.

Sincerely,

Daniel Puhl
Campaign Treasurer
